INSTITUTIONAL DISTINCTIVENESS

AY-2022-2023

Simplicity and Promotion of Human Values

Menon Family

‘Menon Family’ constitutes of all the stakeholders related to all the three prestigious institutions - V. K. Krishna Menon College of Commerce and Economics and Sharad Shankar Dighe College of Science, BES’s P. A. Menon Junior College and P. A. Menon English High School – run and managed by Bhandup Educational Society (BES).

Late Adv. Shri P.A. Menonji, the Founder Chairman, was an ardent follower of Gandhiji. The deep influence of Gandhian philosophy is clearly evident in institutions founded by Him. Each of these institutions is simple and operates on the principles of equality and non-discrimination. Many occasions bring the stakeholders together like a ‘Family’, creating a feeling of belongingness. **Every stakeholder feels proud to be associated with such an institution, which has grown over decades without compromising its values and principles.**

Our institution has conceived **Simplicity** by advocating abstinence from all the lustrous and alluring desires in life. In the footsteps of Founder Chairman Late Adv. Shri P.A Menonji, we strive towards the Gandhian vision of "Simple Living and High Thinking".

Management Philosophy and Commitments

- The Management believes that **God exists in every human being** and by respecting God in another person you get God’s blessings.
- Our institution has adopted the Holy Book “*Bhagwad Gita*” as Dictionary of Life. **Twenty principles** derived from this holy book constitute core values of the institution.
- The Management considers ‘Education’, **not as an instrument of creating Wealth but of creating ‘Stakeholders’**.
- With **Founder Chairman Advocate P.A. Menonji’s** divine blessings and support, the legacy continues with our current Chairperson **Smt. Sarada Menon**.

Simple Appearance and High Performance:

- **Most of our students prefer to go for higher studies** in order to create strong foundations for themselves.
